Blanket Consent for EOTC

Education Outside The Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on and off the school site. This includes sport.

- Our school believes in using a range of environments and experiences to enhance our students' learning.
- We have ready access to the beach, rivers, mountains, and the bush in our area and beyond. We are also close to various built environments in our community. These areas are rich learning environments for our students both in and out of school. They need to learn how to be safe. Our school also values the concept of providing students with opportunities. Thus some of the learning for students occurs beyond the school site and this document is seeking your consent for your child/ren to participate in such learning

The Ministry of Education's **EOTC guidelines** identify four EOTC activity types, each with recommended types of parental/caregiver consent. In brief they are:

Type of event	Description	Type of consent
A	On site- in the school grounds (i) Lower risk environments (ii) Higher risk environments*	(i) No consent sought or blanket consent (ii) Separate consent for each event or programme
B	Off-site events in the local community occurring in school time. (i) Lower risk environments (ii) Higher risk environments*	(i) Blanket consent at enrolment. (ii) Separate consent for each event or programme
C	Off-site events - finishing after school finishes (i) Lower risk environments (ii) Higher risk environments*	(i) Blanket consent at enrolment. (ii) Separate consent for each event or programme
D	Off-site residential overnight events (i) Lower risk environments (ii) Higher risk environments*	(i) Separate consent (ii) Separate consent for each event or programme

*Involves risk assessed to be greater than that associated with the average family activity.

All EOTC activity categories require staff to undertake an analysis of the risks, and identify the management strategies required to eliminate, isolate and minimise the risks. Emergency procedures are also in place.

BLANKET CONSENT

I/we agree to the participation of _____ In *lower risk* category **A** and **B** and **C**

EOTC events while a student at Tōku Māpihi Maurea KKM.

I/we agree to pay any associated costs/koha for these activities.

I/we agree for our child to be transported by bus or private vehicle as per the Tōku Māpihi Maurea KKM Transport Safety and Drivers Procedures.

I/we have provided the school with up to date medical, supervision and learning information through the enrolment form and will make every endeavour to keep this information current.
